

# 書く(横線)

(方法) ●と●をつなぐように線を引きましょう。はみだしてしまったり、ぬってしまったりするかもしれませんが、子どもさんのキャラクターに合わせて声をかけてください。

The worksheet consists of three rows on a dark red background. Each row is designed for a drawing activity. On the left, a grey vertical bar contains a car icon (black, yellow, and red from top to bottom) with a black dot and an arrow pointing right. To the right of each car is a white horizontal line with a black dot at its end. Further right are illustrations of a toy store, a hospital, and a playground.
