The image shows a green background with two white maze paths. The left path starts at a blue car at the top left, goes down, right, down, right, and up. The right path starts at a taxi at the top right, goes down, left, down, left, and up. Various icons are placed around the paths: a house at the bottom left, a hospital in the center, and a Ferris wheel at the bottom right. Black and blue dots are placed at the corners of the paths.
